

CURRICULUM VITAE ET STUDIORUM

Dr. **MATTEO BASSO**, urban and regional planner

Assistant professor of Urban and regional planning at IUAV University of Venice (since November 1, 2021)
Member of the Italian National Institute of Urban Planning (INU), part of INU-Veneto Region section's board of governors

Date of Birth: December 4, 1986

Nationality: Italian

Languages: Italian (mother tongue), English (excellent level), German (good level)

E-mail: mbasso@iuav.it

Academic Education

2021 – Italian National Scientific Qualification as associate professor of Urban and regional planning.

2015 – Italian National License as urban and regional planner practitioner.

2015 – Ph.D in Regional Planning and Public Policy, IUAV University of Venice (holder of a ministerial scholarship in 2012, 2013, 2014). Ph.D dissertation awarded with the 2015 “Giovanni Ferraro” national Prize for the best Italian Ph.D dissertation in urban planning.

2011 – Master degree with honours in urban and regional planning, IUAV University of Venice.

2008 – Bachelor degree with honours in urban and regional planning, IUAV University of Venice.

Experiences of study and research abroad

2016 (June) – Set of semi-structured interviews with policy-makers involved in the implementation of *Re:fit*, a programme launched by the Greater London Authority to enhance the public buildings' energy efficiency.

2014 (August/October) – Visiting scholar, College of Architecture and Urban Planning, Tongji University, Shanghai.

2013 (February/June) – Visiting scholar, Department of Planning and Transport, University of Westminster, London.

2012 (September 21/October 1) – III European Urban Summer School “Times of scarcity: reclaiming the possibility of making”, organized by University of Westminster, AESOP, ECTP-CEU, IFHP, ISOCARP (London).

Experiences of scientific research

December 2019/October 2021 – Post-doc research fellow at the Department of Architecture and Arts-Infrastructure of Research Integral Design Environment (IUAV University of Venice), research project “Pro.I.S.D. – Prosecco Integrated Spatial Design”.

December 2018/November 2019 – Post-doc research fellow at the Department of Design and Planning in Complex Environments (IUAV University of Venice), research project “The role played by cost-benefit analysis in supporting the decision-making process. The case study of covenant of mayors for climate and energy”.

November 2017/October 2018 – Post-doc research fellow at the Department of Design and Planning in Complex Environments (IUAV University of Venice), research project “Living in marginal territories”.

October 2016/September 2017 – Post-doc research fellow at the Department of Design and Planning in Complex Environments (IUAV University of Venice), research project “The production of the spaces of the new post-metropolitan urbanity: conceptual models and empirical analyses in the Veneto Region”.

February 2016/March 2017 – Research assistant, research project “Experimenting the construction of innovative local development policies: designing the future of IPA Terre Alte della Marca Trevigiana” (IUAV University of Venice).

February 2016/November 2016 – Research assistant, research project “Empirical analyses of national and international successful cases of EPC - Energy Performance Contract - and ESCO - Energy Service Companies - application. Identification of action frameworks and of the conditions of applicability to the Venetian territorial context” (IUAV University of Venice).

2013/2014 – Research assistant, PRIN 2010-2011 national project “Post-metropolitan territories as emerging urban forms: challenges of sustainability habitability and governability” (IUAV University of Venice).

September 2011/March 2012 – Research assistant, research project “Development projects and practices of territorial adoption. Valorisation of the rural heritage and sustainable touristic development in the Euganean Hills and the southern context of Padua” (IUAV University of Venice).

March 2010/February 2011 – Research assistant, research project “Feasibility study concerning the redevelopment of Marghera harbour, from an economic-urban perspective, by considering in depth also environmental problems” (CORILA).

January 2009/July 2009 – Research assistant, research project “The impacts of brownfield remediation projects on the real-estate market in Marghera harbour” (CORILA).

Participation in conferences and seminars (with presentation/discussion of papers and case-studies)

2021 (web conference, November 11-13) – 18th annual international conference of the Architectural Humanities Research Association; paper presented: *Veneto Region (North-Eastern Italy): ongoing metamorphosis* (with Paola Virgioli).

2021 (web conference, September 8-10) – XLII annual scientific conference of the Associazione Italiana di Scienze Regionali; paper presented: *Il partenariato pubblico-privato come strumento di innovazione nelle politiche di rigenerazione urbana* (with Paola Virgioli).

2021 (web conference, August 24-27) – Congress of the European Regional Science Association (ERSA) “Territorial futures: visions and scenarios for a resilient Europe”; paper presented: *Post-pandemic city: a new people's relation with space?* (with Laura Gabrielli and Paola Virgioli).

2021 (web conference, May 6/7) – Annual conference of the European Urban Research Association; paper presented: *Re-framing rural mythologies: the contradictory dimension of local development trajectories in the Prosecco hills UNESCO World Heritage site*.

2020 (web conference, September 2/4) – XLI annual scientific conference of the Associazione Italiana di Scienze Regionali; paper presented: *Community-led initiatives in the pandemic. Lessons learnt from territories in Northern Italy* (with Laura Fregolent, Emanuele Belotti, Nicola Di Croce, Elena Ostanel).

2020 (web conference, August 25/27) – Congress of the European Regional Science Association (ERSA) “Spatial challenges for the new world”; paper presented: *Public-private partnerships and urban policy: evidence from the Veneto Region (Italy)* (with Paola Virgioli).

2019 (L'Aquila, September 16/18) – XL annual scientific conference of the Associazione Italiana di Scienze Regionali; paper presented: *L'attuazione dell'iniziativa del Patto dei Sindaci nelle città europee: una prima valutazione* (with Stefania Tonin).

2019 (Lyon, August 27/30) – 59° congress of the European Regional Science Association (ERSA); paper presented: *Investigating the effects of the actions planned by cities under the Covenant of Mayors initiative: an assessment at European level* (with Stefania Tonin).

2019 (Venice, July 9/13) – Annual congress of the Association of European Schools of Planning (AESOP); paper presented: *Implementing the Covenant of Mayors in European cities: state of the art and open challenges ten years after the launch of the initiative* (with Stefania Tonin).

2019 (Barcelona, June 20/21) – Coloquio internacional “¿Un municipalismo transformador? La experiencia de Barcelona en perspectiva”, Universitat Autònoma de Barcelona; paper presented: *Venice coping with tourism. Overcoming the “state of emergency”: which policies for which territorial scales?* (with Laura Fregolent).

2019 (Rome, June 11) – Congress “Oltre la monocultura del turismo: per un atlante delle resistenze e delle controprogettualità”, Università La Sapienza; paper presented: *Venezia: dinamiche turistiche e questione abitativa. Conflitti e prospettive di policy* (with Laura Fregolent).

2019 (Venice, March 11) – Participation in the seminar “Abitare il patrimonio urbano”, IUAV University of Venice; paper presented: *Abitare territori marginali: le isole minori della laguna di Venezia tra abbandono e recenti pratiche di ri-popolamento*.

2018 (Turin, November 13) – Participation in the round-table “Il territorio dei grandi eventi. Tra dimensione ordinaria e straordinaria delle politiche urbane e degli strumenti urbanistici”, Università degli Studi di Torino.

2018 (Cork, Ireland, August 28-31) – 58th Congress of the European Regional Science Association (ERSA); paper presented: *Housing to stay/Housing to go. Issues and practices of living in Venice* (with Laura Fregolent and Federica Fava).

2018 (Gothenburg, Sweden, July 10-14) – Annual Congress of the Association of European Schools of Planning (AESOP); paper presented: *Post-metropolitan territories and spatial conflicts: the case of Venice city region (Italy)* (with Laura Fregolent).

2018 (Florence, June 7-8) – XXI national conference of the Italian Society of Urban Planners; paper presented: *Housing Venice. Dalle pratiche alle politiche della casa pubblica nella città del turismo globale* (with Federica Fava). Paper awarded with a mention for the best paper written by a scholar under 40.

2017 (Naples, December 15-16) – X INU Study Day; paper presented: *Recenti conflittualità territoriali in atto nell'area vasta veneziana* (with Laura Fregolent).

2017 (Bruxelles, September 4-6) – VI congress of the Association of Geographical Societies in Europe; paper presented: *Assessing the spatial and socio-economic changes generated by the expansion of viticulture: a critical overview of Prosecco Town (Italy)*.

2017 (Warsaw, June 21-24) – Annual conference of the European Urban Research Association; paper presented: i) *Prosecco Town goes global: explorations on a globalizing low-density territory*; ii) *Residential building energy retrofitting in a policy perspective: as assessment of tools and models of action* (with Francesca Gelli and Maurizio Pioletti).

2016 (Milan, October 17) – Participation in the round-table “Urban planning and culture-led initiatives: reflecting on the Liverpool European Capital of Culture 2008”, Politecnico di Milano.

2016 (Torino, June 16-18) – Annual conference of the European Urban Research Association; paper presented: *The national urban agenda in China: priorities, actors and tools for cities in search of “stabilization”*.

2015 (Cosenza, September 14-16) – XXXVI annual scientific conference of the Italian Association of Regional Sciences; paper presented: *Aspetti processuali e di governance dell'Expo di Milano 2015: alcuni limiti e paradossi di una “italica” gestione para-emergenziale* (with Stefano di Vita).

2015 (L'Aquila, June 22-25) – Workshop “Out of the Ordinary. Policy-making in cities facing extreme challenges” organized by GSSI e IUAV; paper presented: *Mega-Events as constructed emergencies: the organization of London 2012 Olympics and its effects on policy-making and urban governance*.

2014 (Rio de Janeiro, April 27-30) – II International Conference on Mega-Events and the City organized by Institute of Urban and Regional Research and Planning e Universidade Federal do Rio de Janeiro; paper presented: *Mega-Events as Urban Mega-Projects and issues of institutional reconfiguration: evidence from London 2012 Olympic planning process*.

2013 (London, June 6-8) – ISOCARP UK Planner's Exchange Workshop “Regenerating cities from within – in times of scarcity”; case-study presented: *Implementing the Olympic transformation in East London within a context of economic downturn: a case of spatial strategies' assemblage and institutional bricolage?*.

2013 (Groningen, The Netherlands, March 12-14) – VIII International Workshop on Planning and Evaluation “Evaluation in Integrated Land Use Management. Towards Area-Oriented and Place-Based Evaluation for Infrastructure and Spatial Projects” organized by University of Groningen e Ministerie van Infrastructuur en Milieu; paper presented: *Spatial patterns induced by “Mestre through highway” within the Venetian Metropolitan Area (Italy)* (with Domenico Patassini).

2012 (Pescara, May 10-11) – XV national conference of the Italian Society of Urban Planners; paper presented: *Nuove infrastrutture e governo degli interessi localizzativi: quale ruolo per la pianificazione? Il caso del Passante autostradale di Mestre, in Veneto*.

Main academic teaching activities

Academic Year 2021-2022 – Professor, modulo di Pianificazione urbana sostenibile del Laboratorio di progettazione per la transizione e la resilienza (*Design studio for transition and resilience*), IUAV University of Venice.

Academic Year 2020-2021 – Professor, course Urbanization and planning in an international perspective, IUAV University of Venice.

Academic Year 2020-2021 – Co-professor (with Margherita Turvani), course Cities and global change: urban policy analysis and design, Venice International University.

Academic Year 2019-2020 – Professor, course Planning theories and practices in European and Chinese cities, IUAV University of Venice.

Academic Years 2015-2016>2019-2020 – Co-professor (with Margherita Turvani), course Cities, Global Change and Sustainable Development, Venice International University.

Scientific publications

Books

2018 – Marson A., Baccichet M. e **Basso M.**, *Vittorio Veneto. Piani e progetti per la città 1878-1995*, Vittorio Veneto: Kellermann editore.

2017 – **Basso M.**, *Grandi eventi e politiche urbane. Governare «routine eccezionali»: un confronto internazionale*, Milano: Guerini e Associati.
